GEN. TORRANCE HERE

Commander-in-Chief of G. A. R. Arrives Today.

CONFERENCE IN VIEW

PROGRAM FOR NATIONAL ENCAMPMENT TO BE CONSIDERED

Speedy Adjustment of the Schedule

Necessary—Large Number of Applications for Quarters.

Commander-in-Chief Torrance of the G. A. R. and a member of his staff arrived in Washington late this afternoon and took quarters at the Elbitt House. Chairman B. H. Warner of the citizens' executive committee is also expected to return this afternoon. These gentlemen will meet this evening, probably in the Elbitt House, and discuss informally all the preparations for the encampment which have assumed definite form. Tomorrow a formal conference will be held between the national officers of the G. A. R. and the officers of the local committee. In the evening these gentlemen will all attend a meeting of the local executive committee at the Riggs House, when Chairman Warner

will present to his associates such plans as have been meanwhile agreed upon, and the committee will give those plans its final consideration.

The chief item of business to be thus discussed is the encampment program, now in a somewhat chaotic state. Half a dozen separate meetings are now scheduled for the afternoon of Monday, October 6. In spite of express contract provisions to the contrary, the subcommittees have arranged public meetings at times set for the fireworks displays. The time of the several parades is now a matter of much doubt. These few instances will indicate the need for a speedy adjustment of the encampment schedule. By Friday evening, unless all present plans miscarry, every matter of this nature will have been adjusted. Chairman Warner will then prepare and announce, probably Saturday, the program for the encampment in a final form, as far as its chief features are concerned.

Sketch of Virginia Campaign.

The Chesapeake and Ohio railroad has furnished for use at encampment headquarters a folder for the thirty-sixth national encampment of the Grand Army of the Republic. It includes a complete historical sketch of the Virginia campaign, edited by Gen. H. V. Boynton, and a map of the battlefields prepared from the official records of the War Department. The history of the Virginia battlefields is very thorough. The various campaigns through that picturesque territory are most minutely described. The folder shows also the commands and commanders of the opposing forces in the state of Virginia, gives a roster of the commands of the Union and confederate armies, gives the military forces of the United States in 1902 as organized in the different states, and indicates the national cemeteries contiguous to the Chesapeake and Ohio line. The beautiful poem of Theodore O'Hara, "The Bivouac of the Dead," is made one of its features. It gives a synopsis of the battle and engagements occurring from 1861 to 1865 within the limits of Virginia, the losses sustained by the opposing forces and a comparative statement of the number of men furnished and deaths in the United States army during the war.

Contribution is largely due to the industry of Mr. W. S. Bronson, assistant general passenger agent of the Chesapeake and Ohio railroad, who has been indefatigable in his efforts to assist the encampment, and is chairman of the local Passenger Agents' Association. Mr. Bronson was one of the first to see the desirability of the folder, and is now holding the thirty-sixth national encampment, a member of the executive committee and has been of great aid in the work of preparation for the event.

Committee Rooms Offered.

Secretary Bulkley received this morning from Mr. Charles E. Eckstein of No. 1412 New York avenue the offer of four commodious and attractive rooms opposite the present committee headquarters for use of subcommittees until October 10. In accepting this offer Mr. Bulkley explained to Mr. Eckstein that the rooms would probably be used for the headquarters of the subcommittees of the larger committees and would be in demand from this time until October 1. The offer is most generous and every one connected with the citizens' committee and the present building, large as it is, is not fully adequate to the demands being made upon it.

Cyrus Sears, special aid to Commander-in-Chief John O. Shaw of the Naval Veterans' Association, and Henry P. Dorton, commander of the Naval Veterans' Association of Maryland, both of Baltimore, called at headquarters this morning to discuss the preparations for the entertainment of the old seamen of '61. Both expressed the fullest confidence in the success of the encampment. In Baltimore, they said, there were fifty-two members of the association, and practically the whole membership intended to be present at the Washington encampment.

As they went out the door Commander John S. Walker of Lincoln Post of Potomac Department, G. A. R., entered. He had come, he explained, to assure the officers of the citizens' executive committee that the members of Lincoln Post, number-

ing 394, were ready to give the citizens' committee every help in their power. This assurance of co-operation from the local veterans was gratefully accepted.

Large Number of Applications.

Applications for quarters were received this morning from the following: Col. George W. Schachtel of Ironton, Ohio, for an indefinite number of veterans from that city; and about fifteen ladies; Gen. S. K. Zook Post, Norristown, Pa., for seventy-five men; Robert Bland Post, No. 80, of Philadelphia, for 100 men; Gen. Thomas Albright Post, No. 485, of Spring Springs, Pa., for twenty-five men; Rosati's Naval Reserve of New York city, for an engagement; James B. Tolgate, commander of Thorpe Post, No. 195, of Hawley, Pa., for self and staff; Newton Post of Newton, Pa., for twenty-five men; Brig. Gen. Elias D. Libbey, adjutant general of the Department of Minnesota, for self and party; Greensburg Post, Greensburg, Pa., for twenty-five men.

These applications from Pennsylvania are of extra interest in view of a statement made when the national executive committee was asked to consider the encampment in this city. It was then said that nearby states, especially Pennsylvania, would make little effort to attend the encampment in this city, but that the applications for quarters already received from Pennsylvania insure that the attendance from that state will be at least twice what it was in Cleveland.

Canadians Interested.

William F. Given, writing from Cookshire, Quebec, has informed the committee on public comfort that the most marked interest in the encampment prevails in Canada. A post now established in Cookshire, one in Quebec and one in Montreal all plan to attend the reunion, he says, and desire any circulars of information obtainable.

The Department of Pennsylvania Ladies with Mrs. E. M. Granville, No. 1213 Q street, with easy reach of the Ladies of the G. A. R. meeting place—Luther Place Memorial Church. The officers of the Department of Pennsylvania are Mrs. Elmina Seitelbach, president; Mrs. Jennie Hays, secretary, and Mrs. Jennie Trosell, treasurer.

Circular Regarding Hotel Rates.

A circular of general information concerning hotel and boarding house rates during the encampment has been prepared by Chairman Walker of the committee on public comfort. That part of it which relates to the hotels—which is practically duplicated as to the boarding houses—is as follows:

"The prices quoted for quarters registered with the committee are the minimum rate of the hotel in question. When not otherwise stated, the rates are for a single room, with bath, and for a single person. The prices are for a single person in each room as can comfortably occupy the same with due observance of the laws of sanitary science.

"Where parties desire separate rooms the charge is generally at the capacity rate—e. g., if the room with comfortably accommodate six persons at \$1.25, for two persons, the price of the room will be in the neighborhood of \$4 to \$5 a day.

"The American plan includes meals in the price quoted. Prices quoted in the 'European plan' do not include meals.

"Generally the hotel prices quoted include an implied agreement to stay at least three days.

Invited to Meet Here.

The board of District Commissioners has formally invited the Union Veterans' Union to convene in Washington simultaneously with the Grand Army of the Republic. This action insures the assembling of the two bodies at the same time, and the attendance of possibly 25,000 visitors in addition to those drawn by the convention of the G. A. R. The Union Veterans' Union was originally chosen as the plan for this gathering.

U. V. U. Veterans, but as most of those old soldiers are members of the G. A. R., they will journey first to the west and then back again to the east.

The text of the invitation follows: "General Robert G. Dyrenforth, Commander-in-Chief of the Union Veterans' Union, Washington, D. C., and Trust Building: 'Dear Sir: The board of District Commissioners of the District of Columbia has the honor to inclose herewith an invitation to the Union Veterans' Union, or Order of Union Battle Veterans, to convene in Washington during the encampment of the Grand Army of the Republic.

The Commissioners feel that they can assure you that those fraternally interested and the citizens of Washington generally will do all they can to make the occasion one of the most successful of the year.

Very respectfully, (Signed) 'HENRY B. F. MACFARLAND, 'President of the Board of Commissioners of the District of Columbia.'

A general waiting room and resting place has been proposed to the committee on public comfort by the board of Commissioners of the District of Columbia. The plan is to build a waiting room and resting place in the vicinity of the Star building, and to rent and set apart for this purpose. Retiring rooms are to be provided, attended by a corps of nurses, and a corps of Burnside Post, this city, in the name of many other members of the Department of the Potomac. The scheme suggested is that a large hall, with a corps of Burnside Post, this city, in the name of many other members of the Department of the Potomac. The scheme suggested is that a large hall, with a corps of Burnside Post, this city, in the name of many other members of the Department of the Potomac.

Very respectfully, (Signed) 'HENRY B. F. MACFARLAND, 'President of the Board of Commissioners of the District of Columbia.'
